

RECRUITMENT PROCESS OUTSOURCING

RPO Services for Recruiters

LABOUR SUPPORT
• EMPOWERING BUSINESSES •

ABOUT OUR COMPANY

Labour Support Group is an Australian-based company with our headquarter office located in Brisbane. Our goal is to streamline your recruitment administration with our support.

Building a strong team is a goal on every company's list; *everyone wants the best, brightest and hard-working employee.*

For us, we view ourselves as your reliable, expert and professional backend team.

“ When the job is done right, the clients will keep returning for more. ”

RPO+PLANS

Our Recruitment Process Outsourcing (RPO) services are a highly cost effective and efficient method of handling all of your recruitment back-end administration duties. Our professional human resources team have assisted many satisfied recruitment agencies across Australia in providing a competitive edge and assisting in its growth.

Outsourcing your recruitment process with Labour Support is one of the most cost effective ways to navigate through the increasingly competitive human resources industry today.
